Here is a graphic preview for all of the Equations Worksheets. You can select different variables to customize these Equations Worksheets for your needs. The Equations Worksheets are randomly created and will never repeat so you have an endless supply of quality Equations Worksheets to use in the classroom or at home. We have one step equations worksheets with integers, decimals, fractions. There is two step and multiple step equations worksheets with integers and decimals. We have worksheets that produces problems that use absolute values, proportions, and percentage. Our word problems cover one step, two step, distance, rate and time problems, mixture, and work problems. Our Equations Worksheets are free to download, easy to use, and very flexible. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Click here for a Detailed Description of all the Equations Worksheets. Click the image to be taken to that Equations Worksheets. One Step Equations with Integers Worksheets These Algebra 1 Equations Worksheets will produce one step problems containing integers. These worksheets will produce ten problems per worksheet. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. One Step Equations with Decimals Worksheets These Algebra 1 Equations Worksheets will produce one step problems containing decimals. These worksheets will produce ten problems per worksheet. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. One Step Equations with Fractions Worksheets These Algebra 1 Equations Worksheets will produce one step problems containing fractions. These worksheets will produce ten problems per worksheet. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. One Step Equations with Integers, Decimals, and Fractions Worksheets These Algebra 1 Equations Worksheets will produce one step problems with integers. These worksheets will produce ten problems per worksheet. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Two Step Equations with Integers Worksheets These Algebra 1 Equations Worksheets will produce two step problems containing integers. These worksheets will produce ten problems per worksheet. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Two Step Equations with Decimals Worksheets These Algebra 1 Equations Worksheets will produce two step problems containing decimals. These worksheets will produce ten problems per worksheet. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Multiple Step Equations with Decimals Worksheets These Algebra 1 Equations Worksheets will produce multiple step problems containing decimals. These worksheets will produce ten problems per worksheet. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Absolute Value Equations Worksheets These Algebra 1 Equations Worksheets will produce absolute value problems with monomials and polynomials expressions. These worksheets will produce ten problems per worksheet. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Solving Proportions Worksheets These Algebra 1 Equations Worksheets will produce problems for solving proportions using polynomials and monomials. These worksheets will produce ten problems per worksheet. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Percent Problems Worksheets These Algebra 1 Equations Worksheets are great for practicing percentage calculations. You may select three different types of problems and have the problems be in either numerical or word formats. You may select the range of numbers to work with as well as whole number or decimal numbers. You may specify how many decimal points to round the answers. This worksheet will produce ten problems per page. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Solving Single Variable Equations Worksheets These Algebra 1 Equations Worksheets will produce single variable equations to solve that have different solution types. You may select three different types of problems where there is no solutions, one solutions, or an infinite number of solutions. These worksheet will produce twelve problems per page. These Equations Worksheets are a good resource for students in the 7th Grade through the 9th Grade. One Step Equation Word Problems These Algebra 1 Equations Worksheets will produce one step word problems. These worksheets will produce ten problems per worksheet. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Two Step Equation Word Problems These Algebra 1 Equations Worksheets will produce two step word problems. These worksheets will produce ten problems per worksheet. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Distance, Rate, and Time Word Problems These Algebra 1 Equations Worksheets will produce distance, rate, and time word problems with ten problems per worksheet. You may select the numbers to be represented with digits or in words. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Mixture Word Problems These Algebra 1 Equations Worksheets will produce mixtures word problems with ten problems per worksheet. You may select the numbers to be represented with digits or in words. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Work Word Problems These Algebra 1 Equations Worksheets will produce work word problems with ten problems per worksheet. You may select the numbers to be represented with digits or in words. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Distance, Rate, and Time Word Problems These Algebra 1 Equations Worksheets will produce distance, rate, and time word problems with ten problems per worksheet. You may select the numbers to be represented with digits or in words. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Mixture Word Problems These Algebra 1 Equations Worksheets will produce mixtures word problems with ten problems per worksheet. You may select the numbers to be represented with digits or in words. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Work Word Problems These Algebra 1 Equations Worksheets will produce work word problems with ten problems per worksheet. You may select the numbers to be represented with digits or in words. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. © 2022 Kuta Software. All rights reserved. The printable translating phrases worksheets in this page provide prolific practice to 6th grade, 7th grade, and 8th grade students on expressing the phrases as algebraic expressions like linear expressions, single & multiple variable expressions, and writing the sentences as equations and inequalities. This will help the students to translate real-life problems into algebraic expressions and find a solution in an easier way. Access some of these worksheets for free! Translating Inequality Phrases Worksheets Linked in here are our printable translating inequality phrases worksheets that allow students to translate sentences into inequalities with swagger. They must use inequality symbols like $<$, \leq or \geq according to the phrases used in the sentences and quickly translate them. (12 Worksheets) Here is a graphic preview for all of the Word Problems Worksheets. You can select different variables to customize these Word Problems Worksheets for your needs. The Word Problems Worksheets are randomly created and will never repeat so you have an endless supply of quality Word Problems Worksheets to use in the classroom or at home. Our Word Problems Worksheets are free to download, easy to use, and very flexible. These Word Problems Worksheets are a good resource for students in the 5th Grade, 6th Grade, 7th Grade, and 8th Grade. Click here for a Detailed Description of all the Word Problems Worksheets. Click the image to go to that Word Problems Worksheets. One Step Equation Word Problems These Algebra 1 Equations Worksheets will produce one step word problems. These worksheets will produce ten problems per worksheet. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Two Step Equation Word Problems These Algebra 1 Equations Worksheets will produce two step word problems. These worksheets will produce ten problems per worksheet. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Distance, Rate, and Time Word Problems These Algebra 1 Equations Worksheets will produce distance, rate, and time word problems with ten problems per worksheet. You may select the numbers to be represented with digits or in words. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Mixture Word Problems These Algebra 1 Equations Worksheets will produce mixtures word problems with ten problems per worksheet. You may select the numbers to be represented with digits or in words. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade. Work Word Problems These Algebra 1 Equations Worksheets will produce work word problems with ten problems per worksheet. You may select the numbers to be represented with digits or in words. These Equations Worksheets are a good resource for students in the 5th Grade through the 8th Grade.
